Focus of Qualification

The Master of Management qualification has two options:

- i. Option 1: Research Based & Dissertation
- ii. Option 2: Coursework & Mini-dissertation. This qualification consists of six (6) subjects (maximum of three subjects per semester). All six subjects must be completed before starting with the mini-dissertation.

The focus of the qualification is the formulation, design, conducting and completion of a research project in the field of management.

Southern Business School appoints supervisors to provide guidance and student support during the research process. Student support is further enhanced through MySBS (an online interactive communication tool), electronic documents and websites, ejournals and ebooks, management related DVDs, interactive feedback and supportive communication at all times.

Admission Requirements

Southern Business School admits only a limited number of students towards the Masters degrees on an annual basis. Students not successful in gaining admission may re-apply during the next cycle. Due dates for applications:

- First semester: 15 December
- Second semester: 15 May

Southern Business School's Master of Management qualification will improve your performance of business management practices in the context of today's highly competitive and rapidly changing environment.

By enhancing your management capabilities, the Master of Management will position you to successfully advance your career in the field of management.

This qualification is a progression on the Bachelor of Business Administration Honours degree (NQF level 8).

Two-day Induction Session

Students must attend a **compulsory two-day induction session** subsequent to registration of their proposals.

The purpose of this session is to refine your research topic. The development of a proposal, gathering the required data and writing of a dissertation/mini-dissertation will be covered.
